## Nobody Moves Like Us!

### Welcome to NHPU

At No Hiccup Pick Up we believe moving should be an exciting new chapter, not a stressful one. We are a bespoke removal company with a dedicated team that has been working together for years.

Our combined experience of over two decades allows us to offer more than just a service, we provide a personalised moving experience that is seamless, professional, and entirely tailored to your needs.

### Our Expertise, Your Advantage

Jodie and Dan lead our team, bringing a unique blend of care and mastery to every move. Jodie handles the meticulous details, while Dan guarantees the highest standards of professionalism. This means you always get a solution-based approach where nothing is ever a problem.

We know the settlement date is the most critical day of your move. We work closely with you and your agent to ensure our service aligns perfectly with your schedule, so you can avoid stress. We aren't just movers; we're timekeepers, making sure your move goes smoothly from start to finish.

### Professionalism & Peace of Mind

We've invested in the best to give you the best. Our vehicles are professionally fitted out for top-tier removals, and we use only the highest quality equipment and materials to ensure your belongings are protected. For your peace of mind, we are fully insured with public liability and transit insurance.

### It's all about timing

Why pay for storage or clutter your new home with items you no longer need? A move is the ideal time to declutter, and we make it happen effortlessly.

No Hiccup Pick Up is more than just a removals company. We offer a smart, one-day solution that handles both your move and your downsizing. While we transport your valuable belongings to your new home, we can also ensure any unwanted items are delivered directly to Relove, a fantastic Sydney charity that we proudly support. You save on storage fees, prevent clutter, and make a real difference in the community—all in one go.

We are also the preferred carriers for some of the best names in the business, we are the lead logistics team for Fox Sport and Foxtel and the preferred carriers for Lawson's Auction House, Home Furniture On Consignment (HFOC), Kave Home, and Molmic.

### Trusted Reputation

With industry leaders relying on our expertise and over 500 ONLY 5 star reviews, our reputation speaks for itself. We're dedicated to providing an unparalleled experience and achieving the outstanding outcomes our clients deserve.

### Ohhh the Harmony
